Limited (the "Association"), we have performed a reasonable assurance engagement to report on whether the Association has complied with, in all material respects, the requirements set by the Women's Commission (the "Commissioner") including the requirements to keep proper books and records and to prepare proper final accounts of the Project for the period from 1 March 2024 to 8 August 2024 (the "Project Accounts"), and all the terms and conditions of funding, as specified in the following documents:

Basis of conclusion

We conducted our reasonable assurance engagement in accordance with the Hong Kong Standard on Assurance Engagements 3000 (Revised) "Assurance Engagements Other Than Audits or Reviews of Historical Financial Information" issued by the Hong Kong Institute of Certified Public Accountants and the latest Notes for Auditors of Recipient Company issued in October 2023 by the Commissioner.

Our reasonable assurance engagement includes examination, on a test basis, of evidence relevant to the Association's compliance with the requirements set by the Commissioner (including the requirements to keep proper books and records and to prepare proper Project Accounts), and all the terms and conditions of funding, as specified in the documents mentioned in the above first paragraph. It also includes an assessment of the significant estimates and judgements made by the Association in the preparation of the Project Accounts, and of whether the accounting policies have followed the requirements of the Commissioner, consistently applied and adequately disclosed.

We planned and performed our reasonable assurance engagement so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give our conclusion as to whether the Association has complied with, in all material respects, the requirements set by the Commissioner (including the requirements to keep proper books and records and to prepare proper Project Accounts), and all the terms and conditions of funding, as specified in the documents mentioned in the above first paragraph. In forming our conclusion, we also evaluated the overall adequacy of the presentation of information in the Project Accounts. We believe that our reasonable assurance engagement provides a reasonable basis for our conclusion.

Conclusion

Based on the foregoing, in our opinion, the Association has complied with, in all material respects, the requirements set by the Commissioner (including the requirements to keep proper books and records and to prepare proper Project Accounts), and all the terms and conditions of funding, as specified in the documents mentioned in the above first paragraph.
